

Schedule for 2018 Bioscience Data (BD) Club

Month	April	May	June	July - Aug	Sept	Oct	Nov	Dec
Date	20	18	15	Summer break	7	19	23	7
Time	4:30	4:00	4:00		4:00	4:00	4:00	4:00
Lab	Chang Chung	Youcai Zhang	Jian Sun		KIM Hyun	Fumihiko Nakamura	WU Huiyuan	Michael Yuchi

1. All presentations will be made by students and/or post-docs.
2. The talks should be organized to fit into a 20-25 min time frame with an additional 5-10 minutes especially for questions/answers and discussions. (Countdown timer will set for 20 and 25min).
3. Each event will host 1-2 presentations.
4. Each lab should contribute 1-2 presentations/year.
5. Please add a good amount of background information for students. In general, 10-15 minutes of the background information.
6. **Optional:** To book a slot in the schedule in advance, please E-mail the BC organizers a Title of the presentation, Presenter's name, and laboratory affiliation, and Abstract, at least one week in advance. (hkim@tju.edu.cn).
7. Talks will be on Fridays ~4 PM in general, however actual date and time will also be announced a few days in advance.

We thank you in advance for your participation!!
